TO ALL PARENTS: (From the Board of Christian Education, Principal, Teachers, and Pastor.)

The children we have are gifts from God. He wants them back. He wants children to know His will and way and to grow in Christian faith and maturity. St. Paul Congregation thus supports a school to help parents fulfill their obligation to provide their children with a Christian training.

An effective "home-school-church circle" which embraces the child remains our goal. To reach this goal, there needs to be good communication, support, and cooperation among all parties involved.

Upon enrolling your child at St. Paul Lutheran School, you indicate that you subscribe to the policies set forth in this handbook. If you have any questions or concerns about the policies set forth in this handbook, please contact the principal.

Our desire is that this handbook will set forth the policies of the school clearly and will thus lead to an even greater mutual understanding and cooperation on the part of the parents and teachers as they strive to give the children a sound and well-rounded Christian education.

Parent Teacher Organization (PTO): You are a member of PTO when your child enters the school and remain on until he/she leaves the school or graduates. The purpose is to learn more about the task as a Christian parent and to provide the extra needs of the school.

If the Acknowledgment of Receipt and Acceptance of Policy Handbook is not returned to St. Paul School by September 15, 2023, the school will assume the parents have received the 2023-2024 policy handbook and pledge to carefully review and adhere to all guidelines and policies as noted.
