| <u>Wednesday, Feb. 28</u> | Lenten Worship 1:00 pm. |

Hearts for
Jesus

CHAPEL OFFERING

The 3rd quarter Chapel offerings will go to help support Lutheran Special Education Ministries (LSEM.) Since 1873 LSEM, formerly known as Lutheran School for the Deaf, has been serving children with learning challenges by providing the special individualized instruction needed for them to grow academically and spiritually. LSEM offers resource room services, professional development, and educational support to children, parents, teachers, and pastors in Christian churches and schools across the country. LSEM's goal for every learner is that they not only succeed but excel as they discover their unique gifts and talents. Please consider sending a weekly chapel offering with your child every Wednesday. The goal for each quarter is \$300. This breaks down to .30 per student weekly. So far this quarter, Chapel offerings total \$150.99. Thank you for your support.

REMINDER-REMINDER-REMINDER-REMINDER-REMINDER-REMINDER

Monthly Education Fee payments are due on March 1, 2018. A late fee of \$15.00 will be added if paid after March 15, 2018.

PLEASE BRING YOUR LAUNDERED BASKETBALL AND CHEER UNIFORMS TO THE SCHOOL OFFICE. THANK YOU.

Principal Brian Elmhurst - Extension 1011
IN THE CLASSROOM

The Math Fact Challenge has begun. This challenge will reward students that study their math facts at home with their parents for 5 minutes a day for 20 days. Please pick up a cheap set of flash cards at the local dollar store and study away. Learning all of the multiplication facts will help students in their math classes for years to come. Please study diligently with your students and dedicate this time to them.

LENTEN SERVICE

The K-8th grade students will be attending the 1:00 pm Lenten Services. All parents are invited to attend the services as well. Students will sit with their classes or with parents/grandparents during the service. Students will be dismissed following the church service.

MARK YOUR CALENDAR!!!

May 25 is the date for the 6-8th grade trip for this year. We will be planning on going to Six Flags in the morning and afternoon. In the evening will be attending a Milwaukee Brewer game. A fundraiser will be held in the coming months and more information will be sent out soon.

ST. PAUL LUTHERAN SCHOOLS WEEK

An informational letter and permission slip will be sent home on Friday, Feb.23 outlining all of the activities planned for St. Paul's celebration of Lutheran Schools Week. Please read through the letter and return the permission slip by March 1. Highlights of week include:

Monday

- Banner Projects
- Bowling afternoon

Tuesday

- Banner Projects
- Team volleyball game

Wednesday

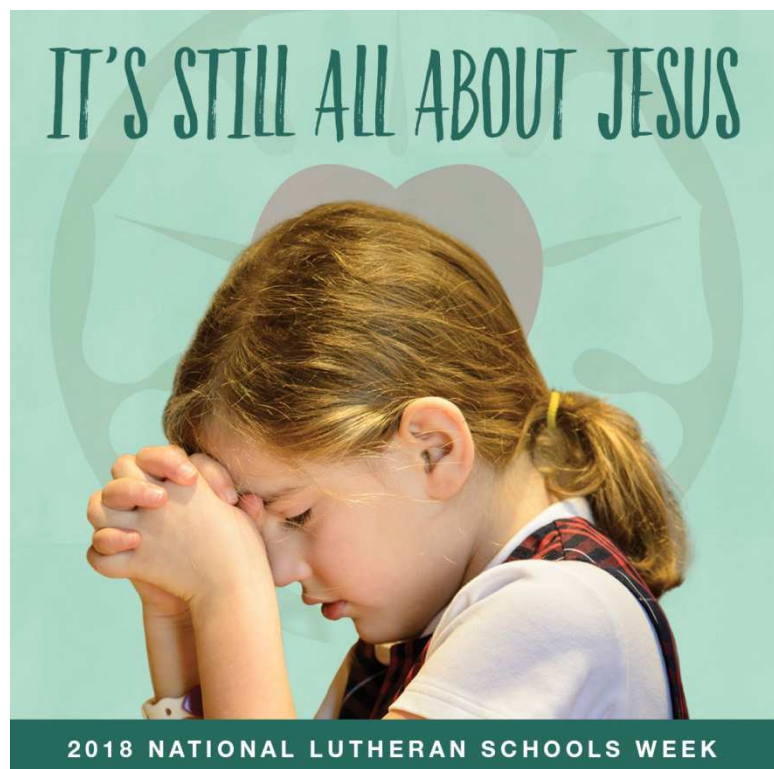

- Service Projects
- Parents Lunch
- Lenten Service

Thursday

- Spaghetti Dinner
- Science Show

Friday

- Irish Dancers
- Movie Afternoon

ST. PAUL LUTHERAN SCHOOLS WEEK

Sunday

Singing in Church

Open House and Registration

PreSchool/PreKindergarten Rebecca Griesbach - Extension 1005 -message through FastDirect

This week we will be working on the letter Jj, its sound and things that begin with Jj. The children will also be recognizing the color pink, a heart, and the number 7 seven. For Math we will practice counting 1-70 (4K) 1-35 (3K). We will also be working on patterns with the 4K and the 3K. Please practice these concepts at home. Lutheran Schools Week is fast approaching. Each classroom will be doing a service project. 4K & Kindergarten will again be working together to change out the items in the children's "Busy Bags" found in the back of church. We are asking families to send in gently used or new items. Ideas include: **board books, small tablets, busy fun pads, coloring books, or small stuffed toys. The size of the bag is 7"x8 1/2"**. Please measure your items to make sure they will fit in the bag. Thank you so much for your support in this project. Our goal is to help children learn about giving to others through this project. Thank you to all the parents/grandparents who have generously donated items to the classroom from the Wish List.

March 5-9-NO SCHOOL-SPRING BREAK

March 12-18-Lutheran Schools Week

March 15-Spaghetti Dinner 4:30-6:00

March 18-4K-8th grade sing at 8:15

March 18-Registration for the 2018-2019 school year.

Kindergarten Debbie Hintz - Extension 1008 -message through FastDirect

Religion: Jesus Blesses the Children; Math: numbers to

100; Reading Theme: Dinosaurs; Phonics: short o and e; Sight words: here, said, she & all;

Save the Date: April 12th will be the day for the Q and U wedding! (2:05 p.m.) This is a short program/play we perform for our parents and student body. Lutheran Schools Week is fast approaching. Each classroom will be doing a service project. 4K & Kindergarten will again be working together to change out the items in the children's "Busy Bags" found in the back of church. We are asking families to send in gently used or new items. Ideas include: **board books, small tablets, busy fun pads, coloring books, crayons or small stuffed toys. The size of the bag is 7"x8 1/2"**. Please measure your items to make sure they will fit in the bag. Thank you so much for your support in this project. Our goal is to help children learn about giving to others through this

1st Grade Teri Rae Suehs/Lori Elmhorst - Extension 1015 -message through FastDirect

2nd Grade Brenda Jenks - Extension 1020 -message through FastDirect

The "Move to the Groove" field trip was a great success! The children really enjoyed dancing, moving, and performing on the stage and they thought it was funny to see the teachers dancing up there as well. We all had a fantastic time! The worship movement songs were especially touching--to see and hear so many joined in praise was profoundly moving. We are still reading "Frogs"; next week we'll read "I Like Where I Am". No new Spelling list is assigned for this week. For Memory, we are reviewing the entire Apostles' Creed. A new Memory assignment will be sent home next Monday. Please continue to collect coins for Lutheran Special Education Ministries (LSEM). Thank you and have a very blessed weekend.

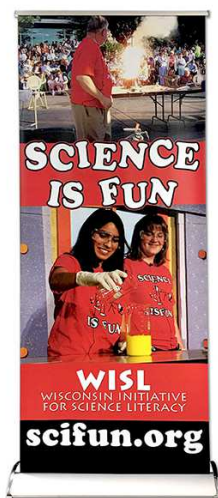

3rd and 4th Grade Rachel Beyer - Extension 1023 -message through FastDirect

Thanks to all the children who sang last Sunday. The students did a wonderful job proclaiming God's word. We will have our reading and spelling tests this week on Friday. Please go over this week's story with them at home. Reminder memory work is due Thursday. Have a great rest of the week and weekend.

5th and 6th Grade Josh Korotka - Extension 1022 -message through FastDirect

Wow this quarter is flying by! Please encourage your child to read and earn their 15 AR points. They can earn extra credit up to 25 AR points. This is a great opportunity to help their reading grade. They will have a Reading test, Spelling test, and Memory Week 20 due on Friday. Please study it in the beginning of the week for complete mastery. We started a new unit in Science, Light. Please have them look over each lesson we read through. It is a lot of new material and can be difficult. Science Fair packets have been handed out. Remember, the experiment needs to have a variable. They will be given time in class to do their packets and type some information in computer class, but get a head start. It is due March 13th. Thank you to all who sang Sunday! It was amazing!!! Have a great weekend.

PTO NEWS

The PTO is excited to announce the entertainment for this year's Lutheran Schools Week. We have a program called Science is Fun put on by staff and students of the Wisconsin Initiative for Science Literacy (WISL). This series of presentations fosters public awareness and appreciation of science. Professor Shakhashiri and other staff members of the WISL use spectacular demonstrations to communicate the wonders of science. Glowing liquids, exploding balloons, and other vivid scientific phenomena charm and fascinate audiences everywhere.
