CHAPEL OFFERING

The 3rd quarter Chapel offerings will go to help support Lutheran Special Education Ministries (LSEM.) Since 1873 LSEM, formerly known as Lutheran School for the Deaf, has been serving children with learning challenges by providing the special individualized instruction needed for them to grow academically and spiritually. LSEM offers resource room services, professional development, and educational support to children, parents, teachers, and pastors in Christian churches and schools across the country. LSEM's goal for every learner is that they not only succeed but excel as they discover their unique gifts and talents. Please consider sending a weekly chapel offering with your child every Wednesday. The goal for each quarter is \$300. This breaks down to .30 per student weekly. So far this quarter, Chapel offerings total \$217.38. Thank you for your support.

*****Middle school track practice will start April 2nd.**

Meet at the Elementary School 3:20-4:45 p.m.***

WOW!!! The third quarter ends on March 28. Please encourage your students to continue to read their individual AR book. This portion of reading counts for 25% of the student's quarterly reading grade. These tests can be taken up to the last day of the quarter.

The seventh graders are midway through their most recent novel "*Amos Fortune*". The students have enjoyed reading about Amos, an African American slave that earns his freedom and then continues to purchase other slaves freedom. The eighth grade students just began their novel "*Anne of Green Gables*." This book centers on Anne, a young orphan who finds a home with Mathew and Marilla Cuthbert.

LUTHERAN SCHOOL WEEK

Lutheran Schools Week 2018 is complete. It was a great week to celebrate our Lutheran School and all of the families, students and staff that are a part of St. Paul's ministry in Manawa. I would like to thank the committee that organized everything for this wonderful week. This includes Ms. Jenks who headed up the Spaghetti Dinner with the help of Mrs.

Griesbach and Mrs. Beyer. Mr. Korotka was the Science Fair leader. I would also like to thank Christal Buch, Bobbie Jo Timm and all of the volunteers who assisted with the spaghetti dinner. It was a wonderful meal and enjoyable evening. The Book Fair is also complete for this school year. We had a total of over \$2,200 in sales, which gave the school a profit of over \$900. That money was used to purchase new library books for the school as well as classroom supplies.

PTO News

We hope you were able to enjoy the entertainment this last Thursday night for Lutheran Schools Week. If anyone has any suggestions for future entertainment, please mention it to Becky Schertz or send the PTO President a FastDirect message.

On March 25th the PTO will be putting on a bake sale between church services. Please consider making something for this sale. The proceeds will go for the materials needed to build a performance area with a stage out in the playground area. This will be used for outside classroom instruction and for students' creative imagination. The baked goods can be packaged for sale without a price and brought to the school office or to church this Sunday before the sale.
