CHAPEL OFFERING

Beginning August 11, 20 inches of rain washed down on Baton Rouge flooding 188,000 homes and necessitating the rescue of 30,000 people. Baton Rouge Lutheran School is supporting tuition, childcare, hot lunches and comfort items for families needing support as they muck out, rebuild and replace their belongings. Many families need time to work on their homes. Many are living in hotels. Your Wednesday Chapel offerings will help ease their burden and will help support the Baton Rouge Lutheran School ministry. Please consider sending a weekly chapel offering with your child every Wednesday. So far this semester, Chapel offerings total \$163.02. Thank you for your support.

Parents

Please return the 2017 - 2018 Registration Forms to the school office. Information from the forms is entered into the FastDirect Data Base. The student data is then available to teachers and school staff for parental and emergency contacts, informational mailings both postal and electronic, and pertinent medical information. Thank you.

THANK YOU to Jill Timm for donating her time to conduct the Scoliosis screening.

St. Paul Lutheran Church and School is excited to have Josh Williams visiting and sharing his life journey with our families and students. Josh grew up in Ohio and attended a private Christian school through much of his early years. During and after his high school years, Josh began to fall away from God's path and he found himself suffering through many addictions and hardships. Josh has now been in recovery for 2 years and shares his message of faith and hope with families. He speaks regularly at Rawhide and we are excited to have him speak at St. Paul. Josh will be speaking to the students at St. Paul on Monday, May 22 in the afternoon. He will also be speaking to any youth, families, and church members in the evening at 5:00. Please make plans to attend.

The number of school days remaining is quickly counting down as we remain busy in the classroom. We are still working on money skills and will soon review clocks and time. We are now reading "Jingle Dancer," our final story of the year. Please keep encouraging your child's AR efforts so they can end the year on an up note. Next week Wednesday is our Track 'n Field Day; please make certain your child is wearing the appropriate clothing/shoes. Sunscreen and a water bottle is recommended since we'll be outside all day. Please label any items sent with child's name. Our Bay Beach field trip is coming soon. Please send back the signed permission note with payment if you haven't yet. Please check at home for any books belonging to the school library, Mrs. Beyer, or me so they may be returned before the end of the school year. Have a great weekend!
