VETERANS DAY

Operation Christmas Child

This holiday season you can share God's love and the true meaning of Christmas with a child in need. Pack your shoeboxes with a "Wow" toy, hygiene items, school supplies, and other small gifts. New this year: Do not include toothpaste or candy. Drop them off at St Paul School or church beginning October 25. Operation Christmas Child partners with churches worldwide to reach boys and girls with the Gospel of Jesus Christ. Many children also participated in our 12- lesson discipleship course, The Greatest Journey, where they learn how to faithfully follow Christ and share Him with others.

Operation Christmas Child

Shoe boxes are regularly appearing at St. Paul Lutheran School. Thank you to everyone who has packed a shoe box and decided to touch a life somewhere around the world with the gospel message. The seventh and eighth graders will be teaming up with the kindergarten classroom to pack shoeboxes as well. We are asking the students in those classrooms to bring a "WOW" item to pack. These items should be something small, but something that will be treasured by the child that receives it.

Thank you to all the children that came to sing last Sunday. You did a terrific job!

Operation Christmas Child: It is a fun and easy way to teach your child about giving to others in need. Children will learn to give to others by watching their parents and other adults in their life. Kindergarten will be building shoe boxes here at school with our 7/8th grade buddies. Items have been purchased through the Thrivent Giving program, but it would be very helpful if each child bought a "WOW" item to include in their shoebox that would fit the age range of 5-9. Please consider putting together a shoe box as a family also. The very first gift a child ever receives may be from you. How amazing to think that they will learn about their Savior simply because you and your family took the time to put together a shoebox!

Reminder: Friday, November 10th will be Show and Tell for Cecilyah, Easton, and Bailey. Spelling is a must for the students' assignments. Please go over them again and again. (NOTE: sorry for the misspelling of white on the homework sheet this week.... LOL)

Veterans' Day is coming up. To help the students understand the importance of this day, we will be writing a letter to Operation Gratitude in Chatsworth, CA in connection to our Scholastic Reader.

We are still waiting for the return of our book, WILD ANIMALS. It will come when the publisher is finished. We know the students are anxious. We just have to be patient.

PTO News

Starting after Thanksgiving the PTO will once again have fresh cut Christmas Trees for sale. We are going with the same local supplier again, and it has been a good year for growing Christmas trees. We will have both Balsam and Fraser fir in a range of 6-8'. This was one of PTO's largest fundraisers this past year. Plus again this year there will be 24", 30", and 36" wreaths for sale that are decorated beautifully by members of the PTO. These wreaths are definitely one of kind! So please come and show your support for the PTO by purchasing a Christmas tree and/or a wreath from us this year, and **tell all your friends!**

HELP! HELP! HELP! HELP! HELP! HELP! HELP! HELP!

The Christmas tree sale is one of the largest fundraisers the PTO does. It also is one of the fundraisers we need the most help with. Please consider helping sell Christmas trees on either a Saturday or Sunday. Any help is appreciated whether it is 1 hour or more. The gym entrance is open for you to stay warm in there and basically you just need to take the money for the trees that are sold. A fast direct message will be going out asking for help selling the Christmas trees, and a schedule will be posted in the gym entrance. The times we need to fill with volunteers are Saturdays & Sundays from 9-2. Those dates are November 25th, 26th, December 2nd, 3rd, 9th, 10th, 16th, and 17th.
