This past week all of the students in grades 3-8 took a math test. I am pleased to share that of the 49 students, 100% of the students passed the test, with over 80% receiving an A or B. It was a great job of studying the materials and preparing for the test. Wonderful Job!!! We will have tests every five lessons in the future. Our next test was scheduled for Thursday, October 12.

The Accelerated Reader program is part of the reading class for all seventh and eighth grade students. The students are required to acquire a certain number of points a quarter. If the student achieves more than the required amount of points, extra credit will be applied to their reading grade, but getting less than the required points will be unfavorable to their reading grade. There are over 150,000 books available in the school library or the Sturm Memorial Library. To determine if a book is an Accelerated Reader Book, check out the website. www.arbookfind.com.

Free and Reduced Hot Lunch applications are available in the school office. Families need to fill out these forms on an annual basis. So if you haven't turned in your form this school year, please do so soon. Lunches will be charged at the full rate until completed forms have been turned in.

CWES The fifth to eighth grade will be traveling to CWES-Central Wisconsin Environmental Station on Friday, October 13th for an outdoor nature fieldtrip. This trip will be a great way learn about the outdoors and study God's wonderful creation. Permission slips will be handed out on Tuesday and will be due back on Monday.

Star Testing This year St. Paul Lutheran School will be utilizing Star Testing for all student achievement testing. This testing format will allow students, parents and teachers to receive information and data that is fast, accurate, and easy to administer. Star Reading identifies which skills and sub-skills your students know, and which skills they're ready to work on next.

I'm looking forward to meeting with all of you and going over your child's progress so far. There will be a reading and spelling test this Friday. The quarter is half over and many students do not have many A.R. points. Ten points are needed by the end of the quarter so encourage your child to read at home. Have a great rest of the week and weekend.
